

# Limitless Liffiton

Flexible in function  
and formation

Featuring our  
*New*  
Liffiton Edge  
Accessory

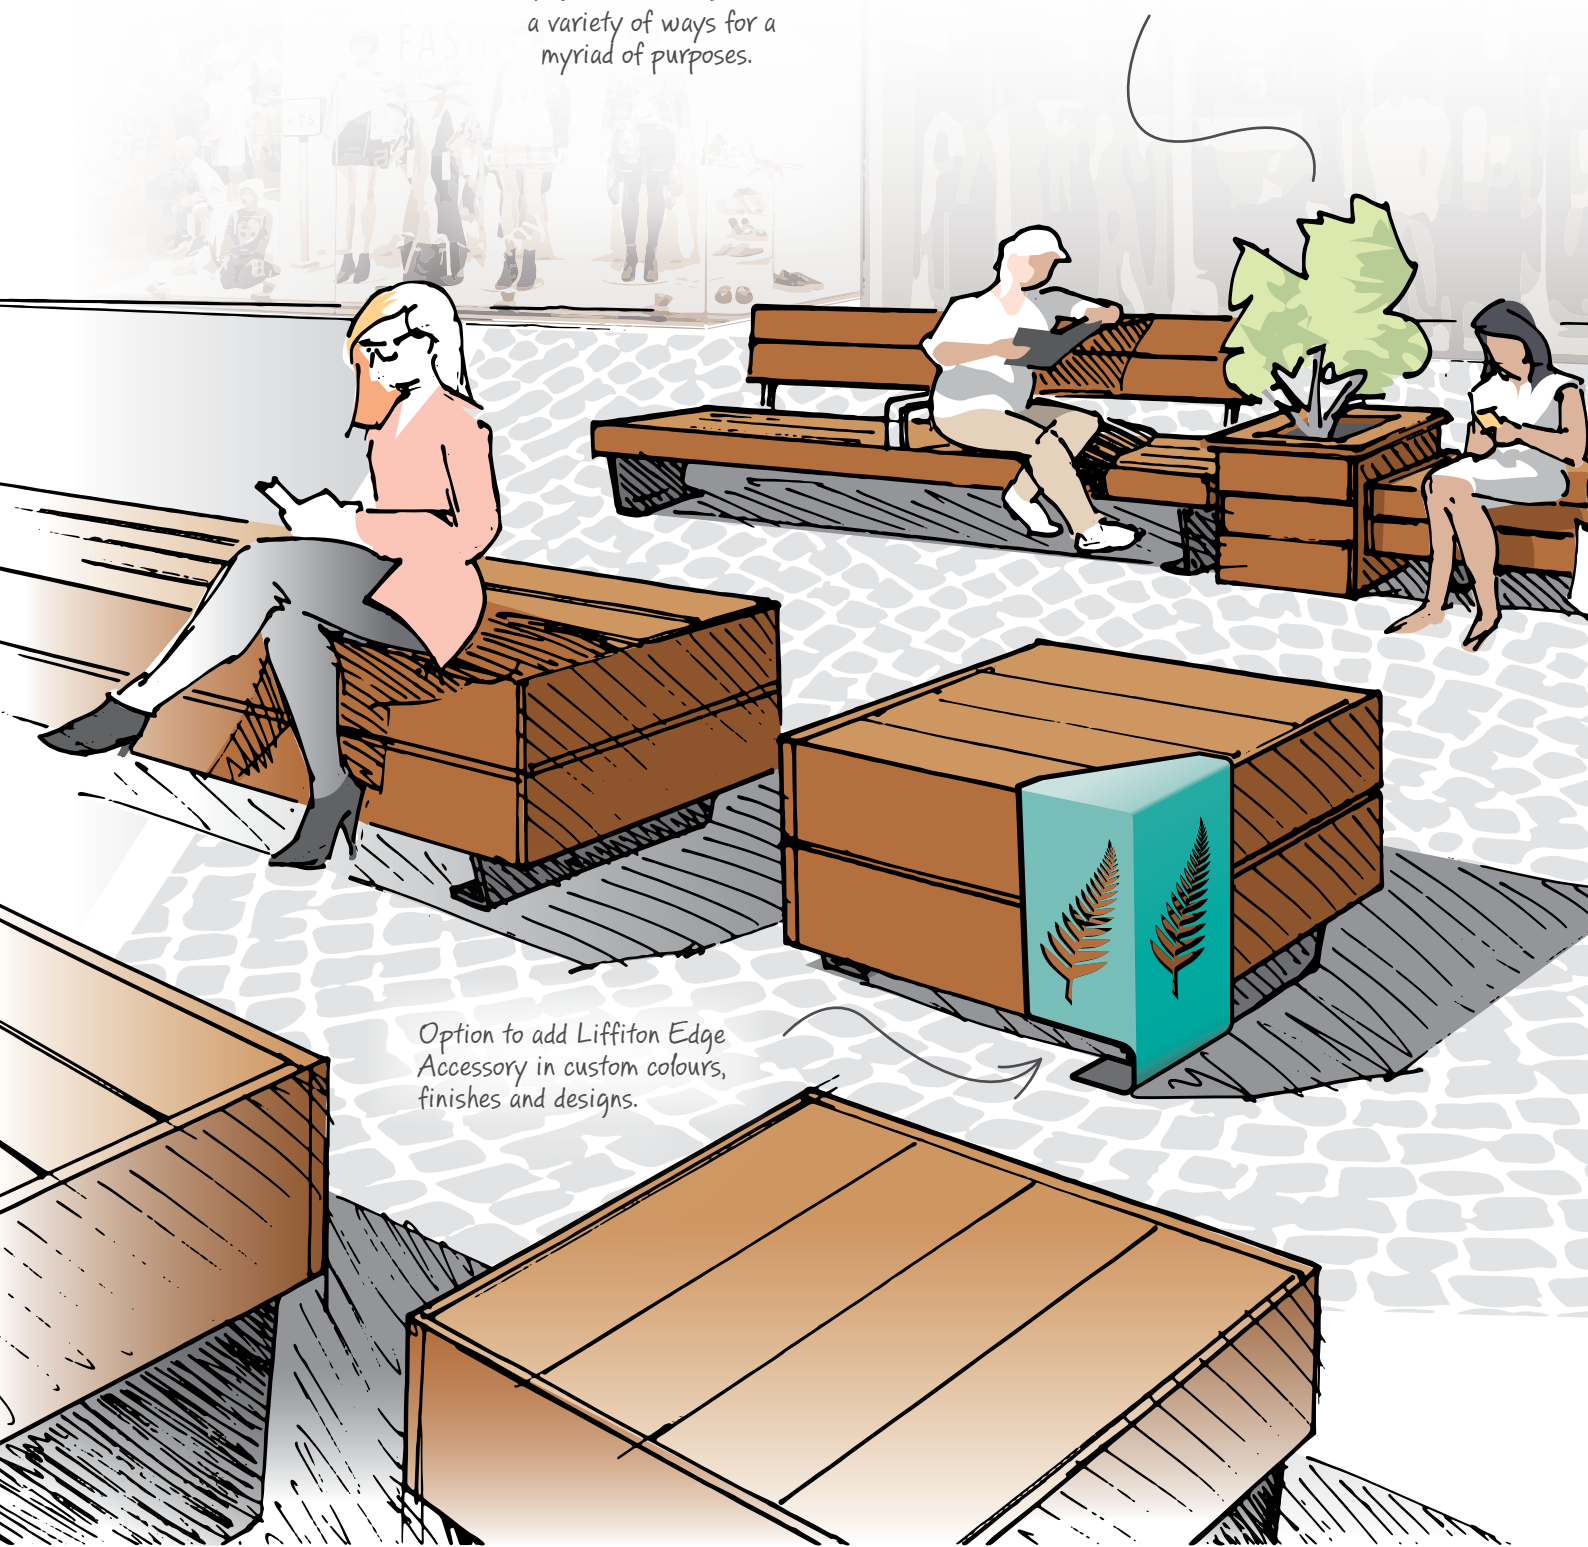

# Design options are **limitless**

Spec and customise to suit the space, match the intended use and create the desired ambiance.

*Used alone or together  
Any angle, any formation.*

*Positioned and used in  
a variety of ways for a  
myriad of purposes.*

*With the flexibility and versatility  
of value-adding features, fittings  
and fixtures.*

*Option to add Liffiton Edge  
Accessory in custom colours,  
finishes and designs.*

Use our **family** to  
create a **community**

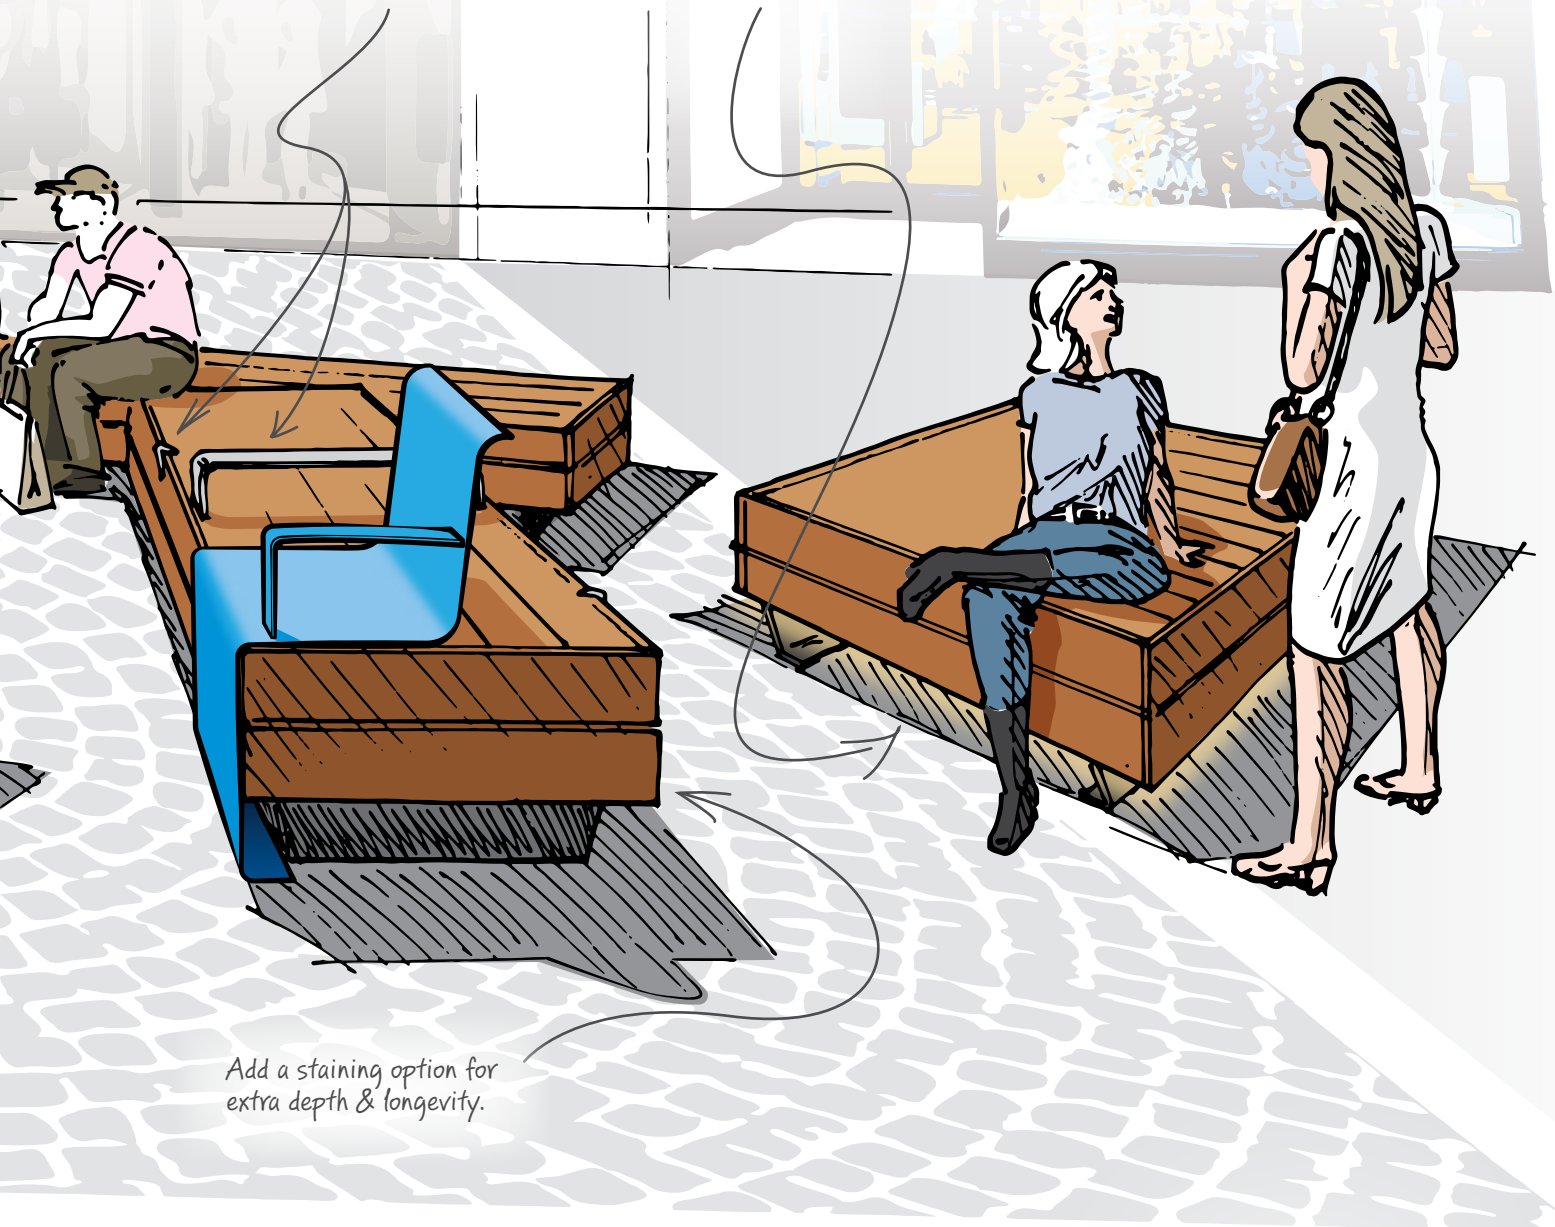

Shared, communal spaces where individuals or groups can come together to sit, lounge, eat, catch-up, or simply have time out.

A selection of sizes, widths and lengths.

Customise by adding an arm rest and skate deterrents

LED Foot lighting adds style and safety (optional extra).

Liffiton makes standard spaces stand out with stylish simplicity, comfort and convenience.

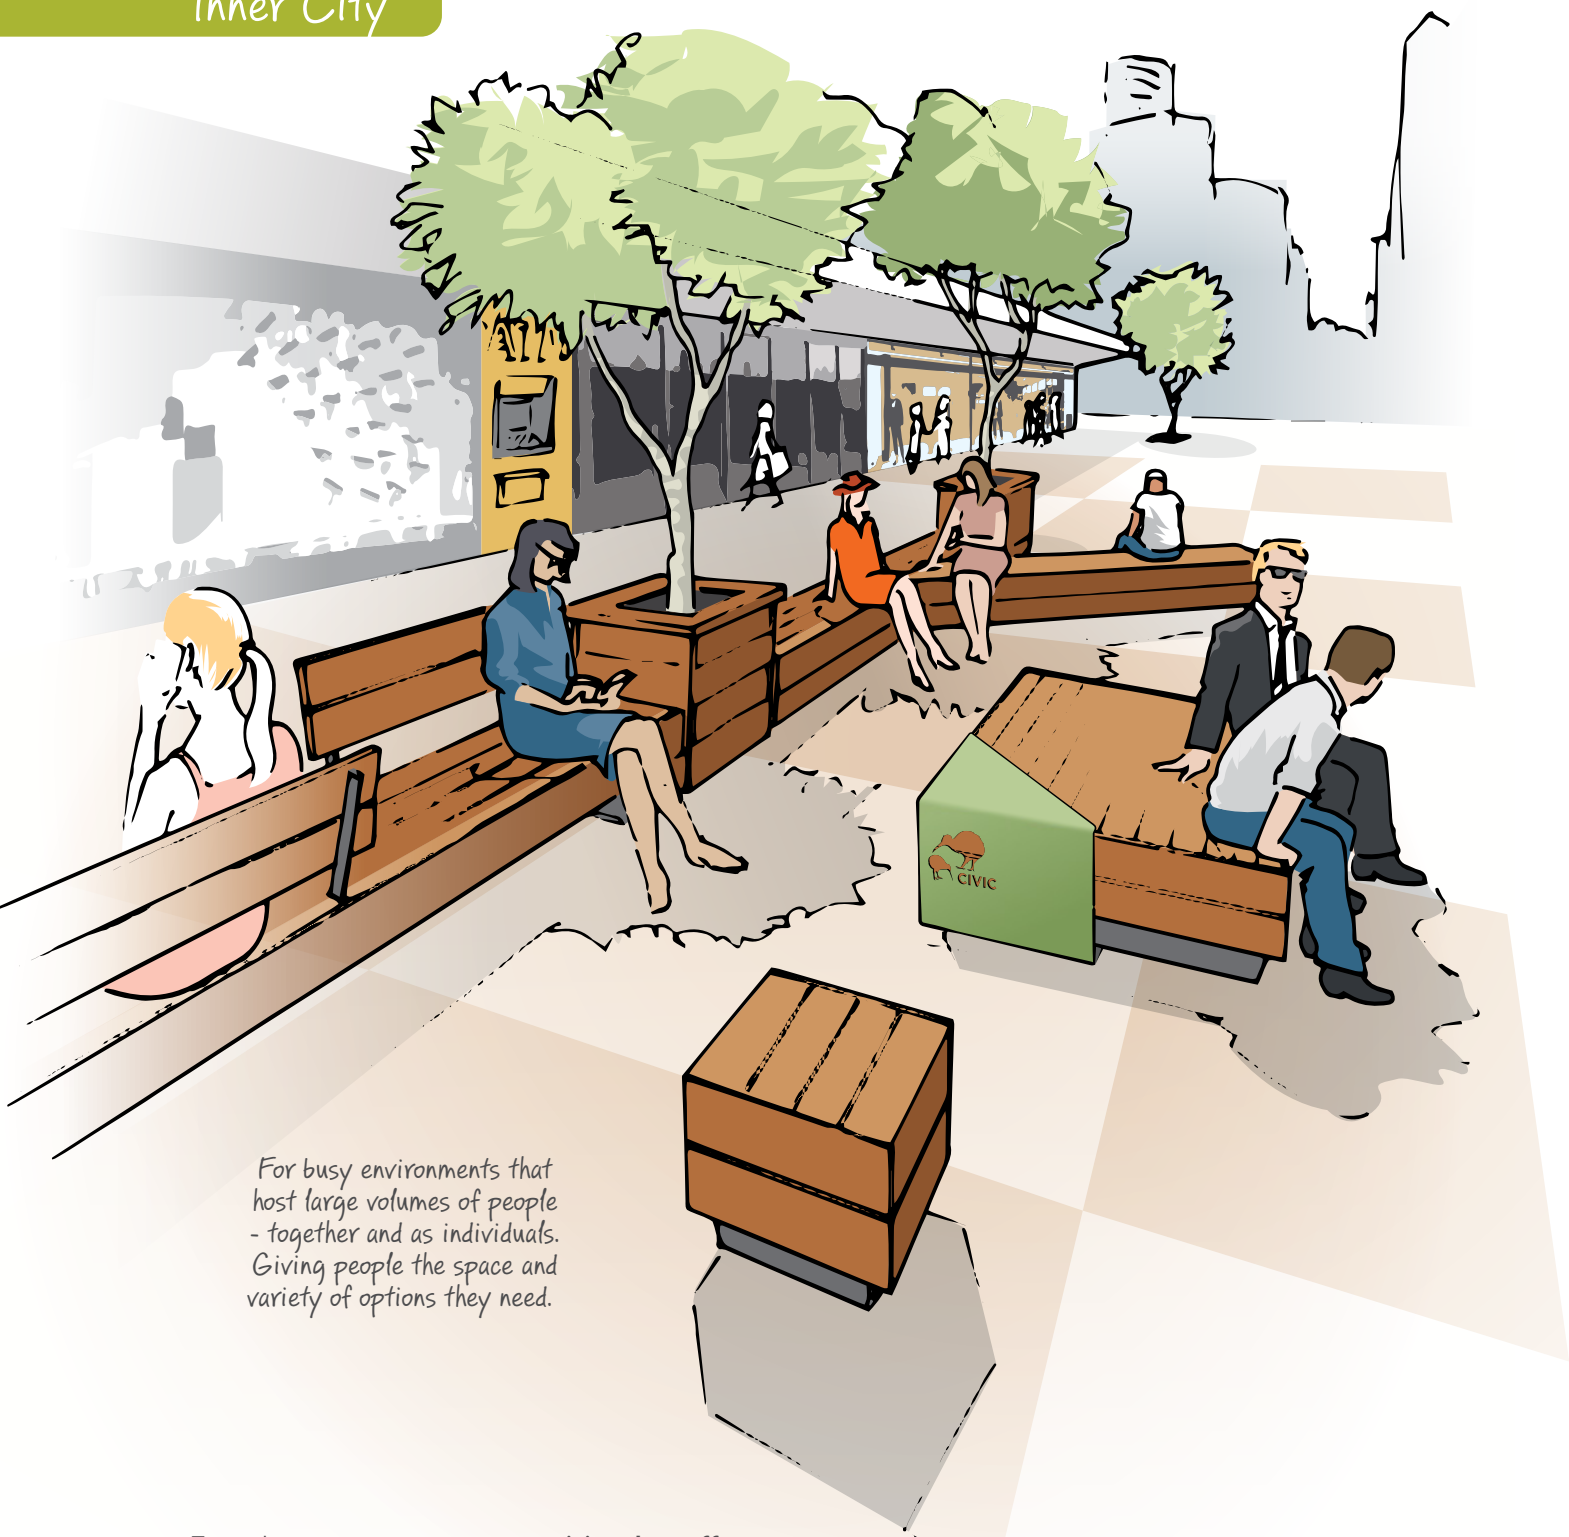

Add a staining option for extra depth & longevity.

# For anytime & anywhere

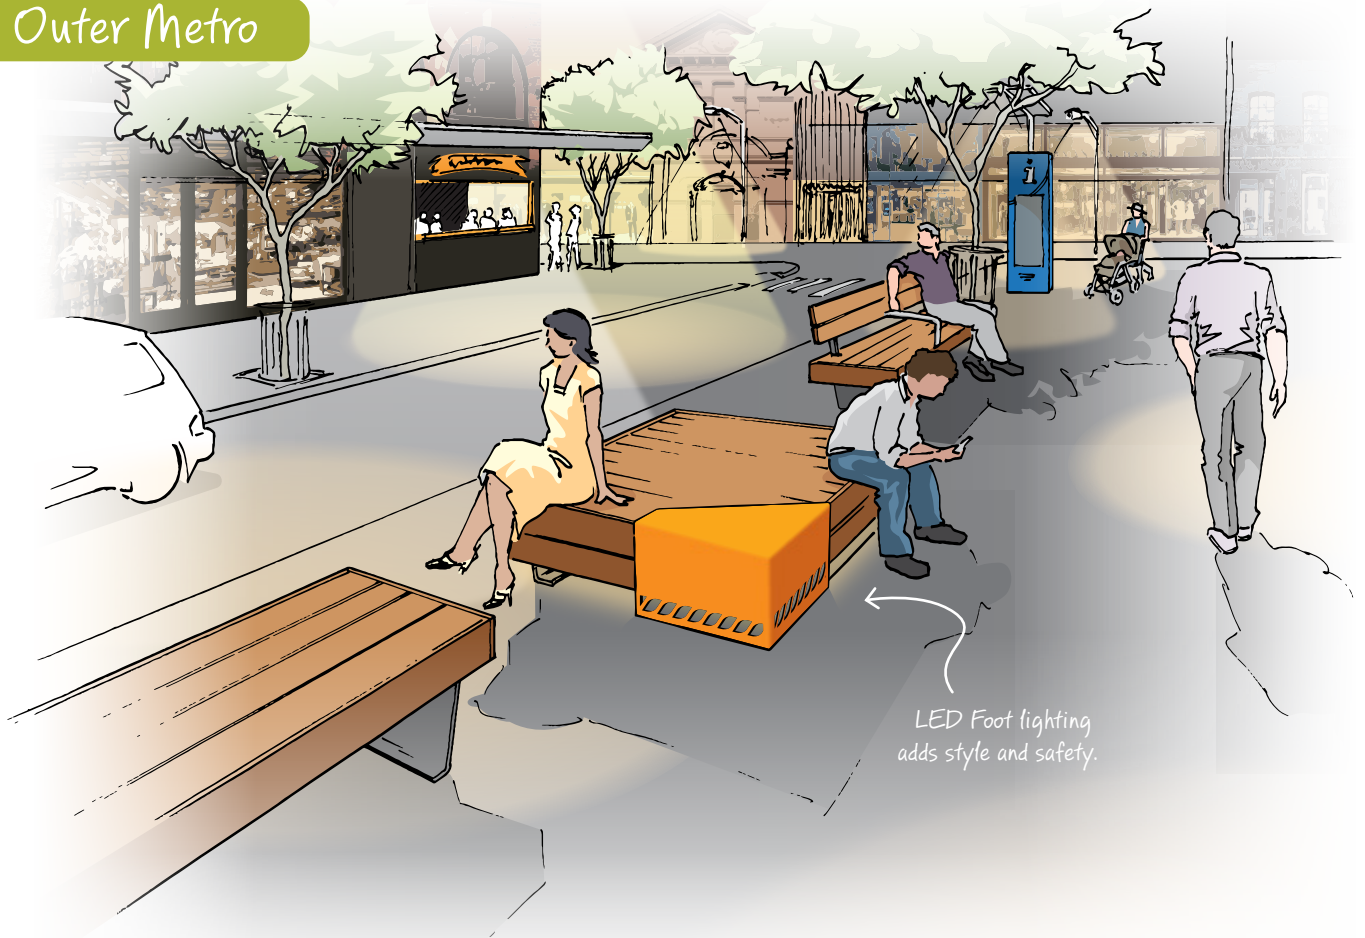

From inner city and suburbs to regional and rural.

## Inner City

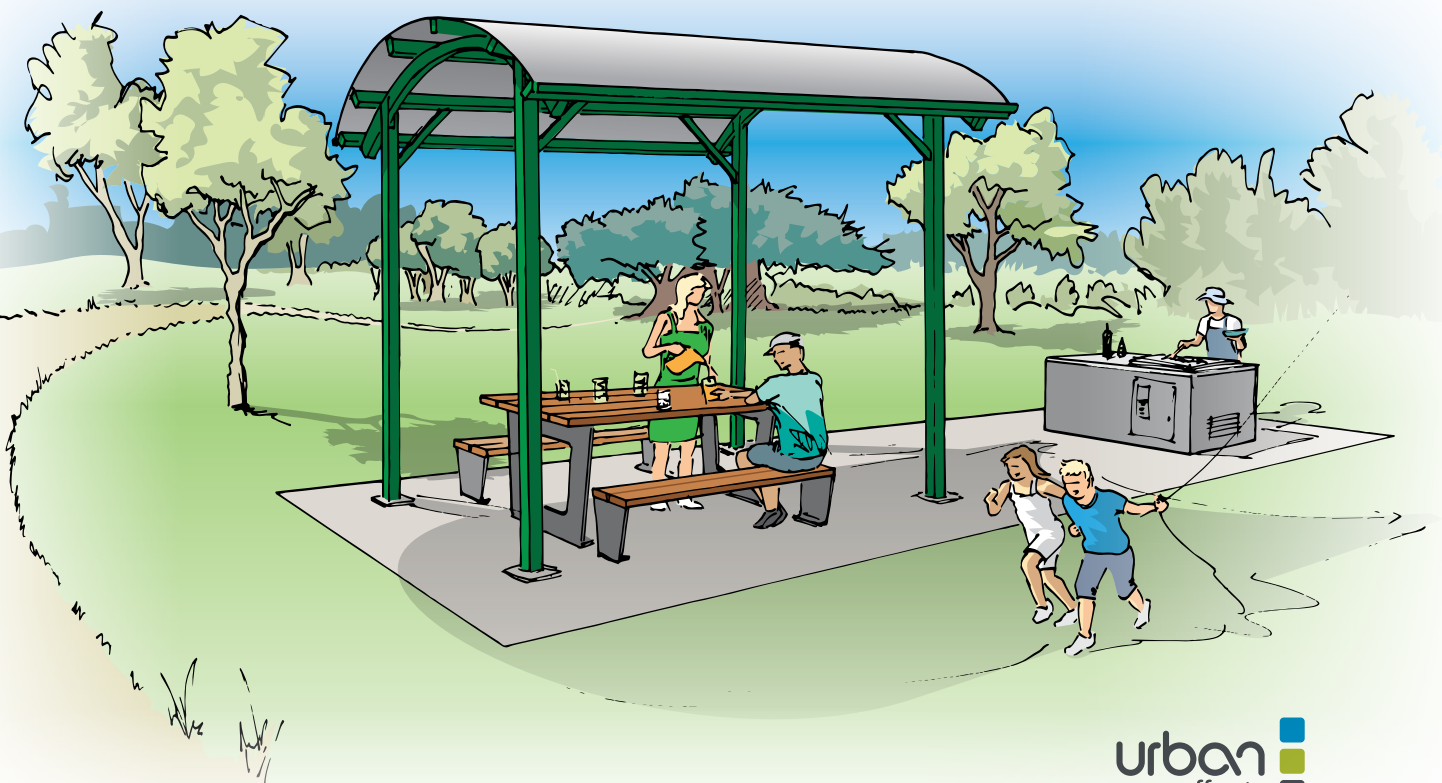

*For busy environments that host large volumes of people - together and as individuals. Giving people the space and variety of options they need.*

## Outer Metro

## Rural

In growing communities or where the pace is slower and the space more relaxed.

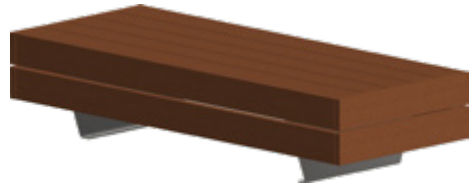

# Our **family** of furniture

The full and flexible range is packed with function and features.
