

Spencer Bin

The *Spencer* litter bin is a cylindrical, practical structure available in two sizes:

- 390mm diameter (80 litre)
- 430 diameter (120 litre)

CORTEN OPTION PICTURED

The lid can be pivoted thanks to a special hinge inside the bin and is locked with a spring-steel blade slam-lock. Inside the liner is an 8mm diameter steel ring for attaching waste sacks. Total height: 800 or 880mm.
