

Doggy Doo Tilt Bin

Encourage park-goers to clean up after their canine companions with the cleverly designed *Doggy Doo* Bin.

The 30L Doggy Doo Bin is made from robust sheet steel with special features to help clean up after man's best friend.

Quality & durability

- 30L bin capacity (so Doggy Doo doesn't stay in the bin long before collection)
- Simple tilt action for easy emptying
- Space between lid and bin to reduce odour
- Galvanised bin liner
- Surface mount – STOCKED ITEM (inground mount also available)

Ideal for

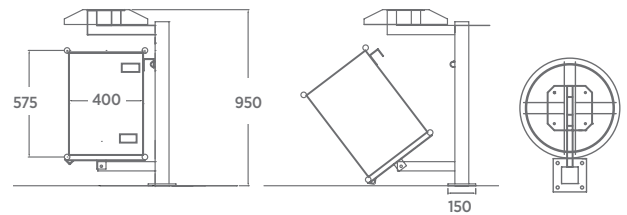

- Parks and reserves
- Sport and recreation clubs

Finishes available

- Post – hot dip galvanised
- Outer bin – hot dip galvanised and powdercoated finish
- Bin cover – galvanised and powdercoated finish with Doggy Doo decal.

*A wide range of colours are available to suit your desired colour scheme.
